

OH22 is an infrastructure and IT-support service provider with long-term and wide-ranging experience. Our recipe for success is down to our passionate staff. Our consultants and technicians always bring all their know-how, work attitude and experience in order to fulfill the requirements of our clients.

## QUALITY MANAGEMENT

- Maintaining our certified Quality Management System in accordance with ISO/IEC 9001:2015.
- Exceed customer expectations by committing to service quality
- Continuously improve our service and adapt to our customers needs

## INFORMATION SECURITY

- Maintaining our certified Information Security Management System in accordance with ISO/IEC 27001:2022.
- Following the principles of confidentiality, integrity, availability and authenticity to protect information
- Wherever possible reduce IT-related risks to a minimum

## CORE VALUES

- Our work is based on integrity, accountability, loyalty and fairness
- We care for our customers, employees, partners and suppliers
- We are committed to innovation and service excellence
- Sustainability and ecological awareness

**Our goal is to provide the highest quality services and products by creating sustainable and practical solutions, allowing our customers to focus on their core business.**

**This commitment is rooted in our company values and is essential to our continuous growth and success.**
